The “Trial Date” is the operative date for discovery cut-off and other deadlines computed from the trial date.

The “Est Start” is the estimated date that the case will start trial. The estimated start date is subject to change depending on criminal matters assigned to Department Four, priority cases assigned to Department Four, failure of prior cases to meet their trial estimate and other factors. The estimated trial date will become more certain as the date approaches, but remains tentative. If the case does not start trial on the Trial Date, the parties will receive an official “22-hour call out” no less than 22 hours before Actual Start Date by email and/or telephonic notice.
